2002, Volume 106B

Brian J. MacLean and Peter G. Pickup*: Electron Transport in Bithiophene–Bithiazole Based Metallopolymers

Page 4658. Due to a production error, the chemical structures of **1–4** were not included in the version of this article published on the Web 4/17/2002 (ASAP) and in the May 9, 2002, issue (Vol. 106, No. 18, pp 4658–4662). The structures were missing from pages 4658 and 4659.

The structures are given below and the correct electronic version of the paper was replaced in the Web edition on 5/23/2002.
